

WELCOME TO GOOD DOG 101's FOUNDATION AGILITY CLASS **at** **Godfrey's-Welcome to Dogdom!**

This is a six week foundation/introductory program to the sport of agility. You and your dog will learn foundation skills which will later be transferred to full size agility equipment. In this class, we will use the wobble board, travel board, perch, tunnel and chutes. We use positive training reinforcement methods.

In order to be eligible for attendance in the class, we will require your dog to have Rabies, DHLPP and Bordetella vaccinations. Your dog should also be on heartworm preventative, flea and tick control and have had a negative fecal test within the last year.

On **Sunday, May 17th, 2009 at 12:00**, we will hold an introduction session. This session will give you an overview of the classes and what to expect. We will also discuss an alternate day to hold the class in the event of inclement weather. Please note that family members (especially those living in the household) are welcome and encouraged to attend classes if they will be involved in your dog's training.

PLEASE ARRIVE in plenty of time to settle your dog – and yourself. If you're feeling flustered, so will your dog. Early arrival will also give you time to make sure your dog has time to "empty" himself/herself before class begins.

DO NOT FEED just before the class. Your dog will feel more comfortable and pay more attention to you with an empty tummy.

WHAT DO I BRING?

- Lots of soft treats small enough for your dog to swallow without chewing (i.e. Hot dog cut into dime size pieces, cheese, chicken whatever your dog loves) Please bring at least two types of treats (chicken & cheese, hotdog & chicken). This will give you a selection to choose from when your dog may get tired of one.
- Bait or treat bag
- Flat buckle collar and 6' regular leash
- Motivational toy or favorite ball
- Water for you and your dog
- Poop bags to pick up after your dog. Collection buckets will be in the training area.

WHAT DO I WEAR? We suggest you do not use any loose fitting shoes (i.e. Flip flops). Sneakers or some other type of "treaded" shoe is recommended. Use clothing that will allow free movement but not so loose as to become a distraction or entangled in leads or equipment when running.

THE COST for the six week course is \$120.00.
